

Multi-Purpose™ 6-0-0

Multi-Purpose (6-0-0) is a complex soil conditioner containing a unique mixture of organic acids derived from Leonardite and biostimulants derived from CytoGro. Supplementary micronutrients and plant growth hormones are added, creating a product that improves soil properties, increases nutrient availability to the plant, stimulates soil microbial activity, and improves overall turf quality. Multi-Purpose can be applied as a soil enhancer through fertigation or conventional spray, or tank-mixed with N-P-K nutrient blends as an organic supplement to improve the overall effectiveness of a turf fertility program.

Benefits of Use

- Increases tolerance to mid-summer stresses
- Increases nutrient uptake by plants
- Supports soil microbial activity
- Stimulates root growth
- Increases seedling establishment in new turf and overseeding
- Increases water and nutrient holding capacity in soils over time
- Increases overall plant vigor
- Increases nutrient recycling
- Aids in decomposition of thatch and black layers
- Easily applied through fertigation

Problem Conditions Improved

- Poor nutrient retention in sandy soils
- Low levels of soil microbial activity
- Anaerobic soil conditions
- Soil compaction
- Poor water infiltration
- Black layer formation
- Toxic conditions from salt or chemical accumulation

Guaranteed Analysis

Total Nitrogen (N)	6.00%

Derived From

Urea, Iron HEDTA, Manganese EDTA, and Zinc EDTA.

This product also contains organic acids and biostimulants derived from composting.

Physical Characteristics

8.9 lb./gal. (0.5 lb. N/gal.); pH 7.0

Application Instructions

Multi-Purpose (6-0-0) can be applied as a soil conditioner through fertigation or conventional spray, or tank-mixed with fertilizer solutions to enhance performance.

Apply 3-6 oz. of product in 2.5 gal. of water per 1000 sq. ft. of turf per month, or 1-2 gal. in 50 gal. of water per acre per month. It should be used as a supplement to a regular fertility program. It will not by itself provide all nutrients required by plants.

Shake well before using.

Container Sizes & Model Numbers

2.5 gal.	Model	57602
30 gal.	Model	57603
275 gal.	Model	57604

Handling & Storage

Store between 40-95° F. Avoid direct heat or fire. Decomposition may occur at high temperatures (above 225° F). Avoid Freezing!

Keep out of reach of children. Harmful if swallowed. Avoid inhalation, eye contact, or ingestion. Avoid prolonged or repeated contact with skin which may cause irritation. Wash thoroughly after handling. Corrosive.
